

SBC Post Event Evaluation Form

Thank you for downloading the Speakers Bureau of Canada's Post Event Evaluation Form

Kindly complete the following questions to help us, the speaker and you improve for future events.

We and the speaker value your feedback.

You can share this form with your management team and it will help provide us and your team with an overall view of your event and the outcomes from the speakers' presentation.

If you have time, we would appreciate if you email this form back to us once you have completed it.

What went well for the event and the speakers' session?

Things to improve in future?

Did this event support your mission and learning outcomes?

How did the SBC speaker from perform?

Did the SBC speaker contact you well before to determine the learning outcomes of their presentation and your event?

Did the SBC speaker's presentation focus on what was discussed when the speaker was researching your organization and your event?

What was the audience's reaction to the presentation?

What did the leadership or management team think of the presentation?

Was the speaker prepared for the presentation and was it tailored to your organization?

What did the SBC speaker do well before, during and after their presentation?

What could the SBC speaker have done better?

Is there anything the Speakers Bureau of Canada could have done better?

Would you recommend the SBC speaker to other organizations?

Do you think that your event will develop members of the audience in an impactful way? If so, short term? Long term?

Please note any changes, improvements or recommendations for yourself, SBC or the speaker for the future events. Any other comments are welcome.
